Summer Assignment for the Incoming Juniors (Current Sophomores)

Directions:

Over the summer you will be required to create a travel brochure that highlights one of the three main regions of the American colonies (New England, Middle Colonies or Southern Colonies). The travel brochure should be creative and have information and pictures on the region assigned to your class as a sophomore.

Mrs. Chu classes- Middle colonies

Mr. Musialik classes - Southern Colonies

Mrs. Sayeed classes- New England colonies.

The travel brochure should include the following information:

1. Map representing the region
2. Back ground information on the region:
 1. How was it settled? Why was it settled?
 2. Who were the founders? Refer to key people involved in the creation of the colony.
 3. How did they establish the government and commerce?
 4. Who made up the colonies?
 5. Give some examples of the food in the colonies (essential crops, goods, items)
3. National flag of the country that claimed your colony.
4. What did the colonists do for entertainment? (Everyday activities).
5. Make sure it is colorful and creative.
